The Future Is What You Decide

3rd Edition of Portugal's Future Hoteliers Summit

Portugal's Future Hoteliers Summit is designed to be a mind opening, encouraging, Summit where students, professors, industry leaders and professionals can come together on a platform of dialogue to exchange ideas, share knowledge and network while working towards a common goal. The presentations and interchange will all be oriented towards building a bridge between the industry and students and encouraging students to step forward and support the industry in moving towards a new generation. The event will be centered on a competition for the students of the Portuguese Hospitality/Tourism Programs.

As part of the Summit the "Hospitality Challenge" will take place, an innovative competition between students coming from Portuguese Hospitality Schools. The winning team will have the once in a lifetime opportunity to represent Portugal at the Global Young Hoteliers Summit, an international competition between students from worldwide most prominent Schools of Hospitality. The event will take place at the prestigious School of Hospitality, École Hôtelière de Lausanne in Switzerland in March 2018.

Terra International is launching the third edition of Portugal's Future Hoteliers Summit to be on the 18th - 19th of November 2017.

The PFHS will be hosted at Monte da Quinta Resort, located in Quinta do Lago, in the heart of the Algarve.
